This will also be discussed on the call **today at noon**. We may be able to use much of the fact sheet you're already working on to prepare a response. We may end up changing the time for the briefing for Stephenne also, maybe 9:30 tomorrow instead of 9:00.

hi Sandy- this letter will be assigned to R8 for response, cc: OSWER. Can you please distribute to the Libby team?

Tom- note the document request. We should probably have a conference call to discuss how to respond.
